

Assemblies – Autumn 2nd half-term 2015

Autumn term 2						
Intellectual and civic virtues						
Week beg	Weekly Focus	Monday SLT	Tuesday Butterfly	Family assembly	P4C	Beliefs and culture
Monday 2 November	Reflective: Why do some people go to war?	What are the causes of most wars? Surely if we know the cause we can stop them?	If you think you are right, can you develop an argument that would persuade others or stand up in court?	Britain seems to have it right and don't have child soldiers...or do we? Article 38: <i>You have a right to protection in times of war. If you are under 15, you should never have to be in an army or take part in a battle.</i>	When you do wrong, should you admit it? Can other countries learn from us? Are other people's fights (wars) ours to get involved in?	7:The Island 8:Being Human 9: World faiths 10: Religion and identity 11: Medical ethics
Reflective						
Monday 9 November	Appreciative: Should you compare your life with others.	Why do children as young as me go to war?	Armistice, what does it mean to us now?	Can the way I act affect others in my community? Can't we all just get on with each other? Article 38: <i>You have a right to protection in times of war. If you are under 15, you should never have to be in an army or take part in a battle.</i>	If someone has strong morals, are they always right? Why do people sometimes do things that they know are wrong?	7:The Island 8:Being Human 9: World faiths 10: Religion and identity 11: Medical ethics
Wednesday 11 November	Armistice	Whole School Assembly at 11.00 am				
Appreciative						
Monday 16 November	Compassionate: Bullying, why does it happen?	I don't believe in violence; how can I defend myself when others are nasty to me?	I would try to stand up to bullies, but I don't know how?	If it is only me that makes a change, will it make a difference to the big picture? Article 12: <i>Every child has the right to say what they think in all matters affecting them, and to have their views taken seriously.</i>	Can a small change make a big difference? Why do people resist change?	7:The Island 8:Being Human 9: World faiths 10: Religion and identity 11: Medical ethics.
Compassionate						
Monday 23 November	Happy: Make the most of what you have, life is too short to be sad.	Before you moan, think of others...Syria and plight of refugees.	Do we all deserve to be happy?	The Syria crisis, whose problem is it anyway? Article 7 <i>You have the right to have a name and a nationality.</i>	Can we deal with differences without resorting to violence? Can we truly be happy all the time?	7:The Island 8:Being Human 9: World faiths 10: Religion and identity 11: Medical ethics.
