

Headteacher: Christopher Anders BA (Hons) MA

15 September 2017

Dear Parent/Guardian

Year 11 are in the process of undertaking their most academically challenging year. This year will make many demands on students with regular exams as well as lessons, revision, extra-curricular sessions and the day to day trials of being a teenager.

In order to support in making the year a success, it is our strong belief that a secure partnership between student, parent and school needs to be in place. As part of this process you should be aware of a number of key dates throughout the year.

Thursday 28 September. 6.00pm-7:30pm - Y11 Student & Parent Revision Evening

This is the first key session which we are hoping will provide the springboard for success in this summer's exams. The session is placed shortly before the mock exam week in October. There will be a short motivational and inspirational talk, from key note speakers, which will begin at 6.00pm. We would also like to share our thoughts with you and demonstrate how our students could improve their preparation, collect revision materials and how parent/guardians could help with the process. All students who are in attendance with their parent/guardian for this session will be placed in to a prize draw raffle. The raffle will be drawn in the next Year 11 assembly with the winner receiving £150 towards the cost of the prom.

27th September onwards - College Open Evenings (details enclosed)

If a student is unsure about which college is best suited for their needs, the college open evenings are well worth visiting.

Other key dates this half term:

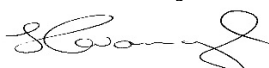

- w/c Monday, 2 October - Mock Week
- Wednesday, 18 October – students break up for half-term
- Monday, 30 October – students return to school

Thursday, 9 November 4:30pm-7:30pm - Year 11 Parents Evening

Your chance to book an appointment with subject teachers to discuss mock results and current progress.

I look forward to seeing you on Thursday 28 September. Should you have any questions prior to the event, please do not hesitate to get in touch by emailing me at s.cavanagh@pcs.hants.sch.uk or calling me at school on extension 211.

Yours faithfully

Stuart Cavanagh
Head of Year 11
