

Headteacher: Christopher Anders BA (Hons) MA

24 October 2016

Dear Parent/Carer

Year 11 are in the process of undertaking their most academically challenging year. This year will make many demands on students with regular exams as well as lessons, revision, extra-curricular sessions and the day to day trials of being a teenager.

In order to support in making the year a success, it is our strong belief that a secure partnership between student, parent and school needs to be in place. The school's prospectus states "At Park we will be at your child's side every step of the way, guiding them as their character develops and as they make **their own discoveries about what they love.**" As part of this process we have arranged a series of events to support our students through Year 11.

I would like to invite you and your son/daughter to the first of these on *Wednesday, 9 November 2016 at 5.30pm for a 6.00pm start*. Buffet style refreshments will be available from 5.30pm where you may be able to speak with Year 11 teachers if you wish. There will be a short motivational and inspirational talk, from our keynote speaker, Mr Roberson, which will begin at 6.00pm.

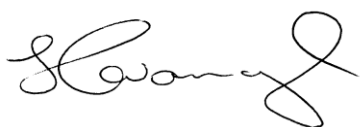

We would also like to share our thoughts with you and demonstrate how our students could improve their exam preparation and how parent/carers could help with the process. We will share exam revision techniques with you and there will be an opportunity to talk with Year 11 teachers.

This evening will provide the springboard, following the recent mock exams, to highlight the path to success and what can be done by students, parents and staff, working together to achieve success for all.

All students who are in attendance with their parent/carers will be placed in to a prize draw raffle. The raffle will be drawn in the next Year 11 assembly with the winner receiving £150 towards the cost of prom.

I look forward to seeing you at the event on Wednesday, 9 November. Should you have any questions prior to the evening please do not hesitate to get in touch with me via email s.cavanagh@pcs.hants.sch.uk or phone on extension 211.

Yours faithfully

Stuart Cavanagh
Head of Year 10 and 11
