WINNERS Park Community School

STAGE Park Community School, Havant

20 years and still going for school

DAY two of the Rock Challenge saw six local schools competing.

Park Community's performance saw it through to the Southern Open Final, which will be held at Portsmouth Guildhall in June.

In second place was Mary Rose Academy with its theme A Mystery in Scarlet.

This year is the 20th year of Rock Challenge in the UK and Mayville High School has taken part in every one

— one of only two schools in the country to achieve this milestone.

The school was recognised and presented on stage with a gold-framed award to commemorate their involvement.

And teacher Lorraine Hepburn has been at Mayville helping to produce its entries every year since 1996 and Lorraine was recognised for her commitment to the event with a certificate.
