Reading Plus – A Guide

Our school is using the Reading Plus program to help your child become a better reader. Reading Plus helps children develop the skills they need to be proficient readers and lifelong learners. Through regular Reading Plus practice, reading will become easier, comprehension will increase, and your child will make meaningful connections between what they are reading and what they are learning.

To learn more about Reading Plus, visit https://www.readingplus.com/.

Your child can complete Reading Plus assignments outside of school on a computer or tablet that has internet access. The program will keep track of assignments completed each week as well as your child's progress toward the overall lesson goals.

Assignments are set weekly and you can encourage your child to complete additional lessons in Reading Plus if they complete the weekly assignment.

Please contact your child's English teacher or Ms Greenslade by email if you need help or have any questions.
