

Year 7 - How do I revise?

In exams, you want to be able to remember a lot of knowledge quickly.

This knowledge includes facts and methods which you can use to answer exam questions. To remember a lot of knowledge quickly, that knowledge needs to be securely stored in your long term memory.

To make sure knowledge goes into your long term memory, stays there, and to make sure you can find it quickly, you need to spend time thinking hard about that knowledge in your short term memory.

Whenever you revise, you are doing one of three things:

1. Finding and closing gaps in your knowledge.

2. Strengthening fading knowledge in your long term memory.

3. Practising recalling knowledge quickly.

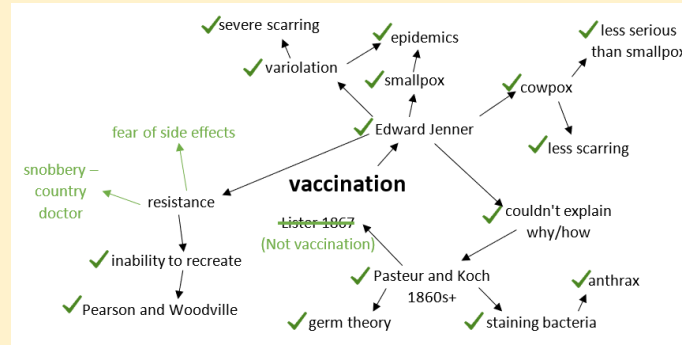

Revision strategies to try:

Use your exercise book to help create these revision resources.

Self-quizzing:

Topic	
Question 1	Answer 1
Question 2	Answer 2
Question 3	Answer 3
Question 4	Answer 4
Question 5	Answer 5
Question 6	Answer 6

Writing a concept map:

Watch videos:

Flashcards:

osmosis

Net movement of water from a high concentration to low concentration across a partially permeable membrane

Practising exam questions:

Online platforms:

Key Stage 3 Testing Week – English

As part of testing week, you will complete a Multiple-Choice Quiz and a creative writing task.

Year 7 Testing Week – Key Assessment 1

Multiple Choice Quiz:

You will be asked to answer a range of questions linked to your Story of Stories and Al Capone does my shirts schemes of work.

Use your exercise book and completed homework to revise the following:

Language and structural devices (pages 65 and 66 of your exercise book)

Word classes

Punctuation and grammar

AAFP

Park Reading Process

Al Capone does my shirts – plot and characters

Creative writing:

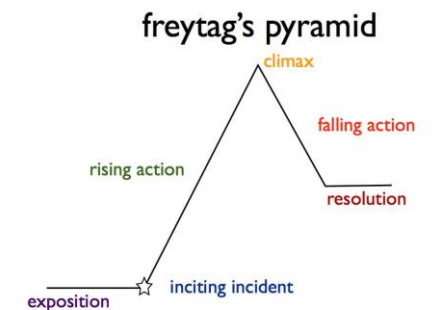

Write the opening of a story that takes place on an island

or

Write a description as suggested by the picture

How to have TiPToP paragraphing skills

Mathematics Year 7

Algebraic notation

In algebra, we use particular notation for different calculations.

We group letters together

$a + a + a$
means
3 lots of a
 $3 \times a$

$b + b$
means
2 lots of b
 $2 \times b$

We use indices/powers

$a \times a$
 $= a^2$
(a squared)

$b \times b \times b$
 $= b^3$
(b cubed)

We do not use multiplication signs

$3 \times a = 3a$
 $5 \times b = 5b$

$a \times b = ab$
 $a \times b \times c = abc$

We write division using fraction notation

$a \div 2$
is written as
 $\frac{a}{2}$ or $\frac{1}{2}a$

$b \div 3$
is written as
 $\frac{b}{3}$ or $\frac{1}{3}b$

Workings

Show each stage of your working, try not to do too much calculating in your head, we can't mark what isn't written!!

Show off what you know!

Median (Middle)

The number which is in the middle or the middle value.

11 7 11 18 9 7 6 23 7
6 7 7 7 9 11 11 18 23

Median: 9

Mode (Most)

The number that appears the most.

11 7 11 18 9 7 6 23 7
6 7 7 7 9 11 11 18 23

Mode: 7

Mean (Average)

The total of the numbers divided by how many numbers there are.

11 7 11 18 9 7 6 23 7
 $11+7+11+18+9+7+6+23+7=99$
 $99 / 9 = 11$

Mean: 11

Range (Difference)

The difference between the largest and the smallest number.

11 7 11 18 9 7 6 23 7
Large : 23 Small : 6
 $23 - 6 = 17$

Range: 17

k8schoollessons.com

k8schoollessons.com

Less than

Less than
or equal to

Greater
than

Greater
than or
equal to

$5 < 10$

5 is less than 10

$x \leq 10$

x is less than 10
or equal to 10

$10 > 5$

10 is greater
than 5

$x \geq 15$

x is greater than
15 or equal to 15

Presentation

Present your work logically and in an organized way on the page, sufficient that the order of the process of solution is clear and unambiguous. **Work down the page and use bullet points or steps.**

Year 7 - Science

1. Read the question carefully
2. Annotate the question

Key topics:

- Different characteristics - inherited/environmental
- Fossils
- Inheritance
- Adaptations
- Graphs

Fossils can be formed by:

- Removing decay conditions (oxygen) e.g. in amber or ice
- Buried in sediment and bones replaced by minerals
- Traces - foot prints in wet mud harden and form an outline of the body part.

Cells contain 46 chromosomes.
The genome is all the genetic information of a living organism.
DNA has a double helix structure.

Fertilisation:

Nucleus of a sperm and egg cell fuse together

Inherited characteristics - genes from parents eg blood type, eye colour
Environment characteristics - impacted by where you live eg tattoos, playing instruments
Combination - some characteristics are a combination of both eg height and weight

Year 7 - Computer Science

Collaborating online respectfully

In this unit we spent time familiarising ourselves with the school network. We also investigated the appropriate use of the school network, and discussed important online safety issues. We also learnt how to use presentation software effectively. In terms of online safety, this unit focused on respecting others online, spotting strangers, and the effects of cyberbullying. All of these aspects will be tested in the assessment.

Staysafe online:

1. Don't post personal information online.
2. Think carefully about posting any images or videos of yourself.
3. Keep privacy setting as high as possible.
4. Keep your password safe.
5. Don't befriend people you don't know.
6. Don't meet up with people you have met online.
7. Think before you say.
8. Treat others with respect, don't be rude!
9. If you see something which makes you feel unsafe, scared or uncomfortable, **Report It!**
10. Block any users that you don't want to see content from.
11. Don't put photos of you in your school uniform onto social media – it can make it clear to strangers where you go to school.

E-safety Vocabulary

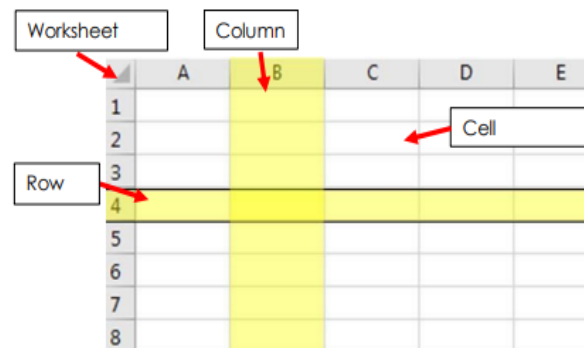

File	An object on a computer that stores data, information, settings or commands used with a computer program.
Folder	A way to organise computer files. A folder is a storage space that many files can be placed into to group them together and organise the computer.
Internet	A global computer network made up of interconnected networks via dedicated routers and servers.
E-Safety	Maximising personal safety and minimising security risks to private information and property associated with using the internet and web technologies.
Username	Identification used by a person with access to a computer, network or online service. (e.g. 19b.frost)
Password	A secret word, phrase or string of characters that allows access to a computer, interface or program.
Private information	Information that can be used to identify, contact or locate a person.
Public information	Information that has been made available for anyone to access.
Inappropriate content	Content that is not suitable for its setting, audience or purpose. This could include offensive, illegal or irrelevant images or text.
Social media	Websites and applications that enable users to communicate or share content to participate in social networking.
Privacy settings	Controls available on many social networks and other websites that allow users to limit who can access your profile and information visitors can see.

Modelling Data

This spreadsheet unit takes you from having very little knowledge of spreadsheets to being able to confidently model data with a spreadsheet. In the Key Assessment you will need to know about cell references and the different symbols we use when writing formulae.

Spreadsheets

Cell references begin with a letter and end with a number e.g. B3

A range is a collection of cells e.g. B2:C6
All cells from B2 to C6 are grouped together.

Spreadsheet Vocabulary	
Spreadsheet	An electronic document which is used to store and arrange data in rows and columns.
Excel	Software which is part of Office 365.
Cell	A cell is a single unit of storage in a spreadsheet program.
Active cell	The currently selected cell.
Row	A horizontal line of cells indicated by numbers in Excel.
Column	A vertical line of cells indicated by letters in Excel.
Range	A cell reference which links to a group of connected cells.
Formula	An expression used in a spreadsheet to perform a calculation.
Data	Facts or values collected which have no meaning on its own.
Information	Data which has had meaning applied to it e.g. a list of people's ages.
Sort	Organising data into a specific order.
Ascending	Sorting data either A-Z or 1,2,3,4,5,6
Descending	Sorting data Z to A or 9,8,7,6,5,4,3
Search	Interrogate data to find a specific value
Filter	Setting conditions so that specific data is ignored
Conditional formatting	Changing the formatting of a cell based on whether a statement is true or false.
Worksheet	An individual page in a workbook
Workbook	A collection of pages in a file that make up a spreadsheet.

RE

What you will be asked to do:

- Complete a multiple-choice test across all these topics
- Complete a written task from a choice of options across these topics

At Communicate	... respond creatively as well as offer explanations for their response to their own experiences of the concepts/words introduced.
At Apply	... explain examples of how their responses relate to events in their own and other people's lives.
At Inquire and Contextualise	... accurately explain meanings of concepts/words in the traditions encountered and studied (taught at the Inquire step). ... accurately explain the way the concepts/words in the traditions encountered and studied, impact the lives of those in the traditions with examples (taught at the Contextualise step). ... appreciate how the concepts/words interact together to influence the way people think and speak and act in the world.
At Evaluate	... discern value of these concepts/words in the lives of those living in the traditions encountered and studied, as well as recognising some of the issues this might raise articulating the value of their interconnections. ... discern possible value for their own lives and communities and how this might influence how they speak, think and act in the world (not usually assessed through summative assessment).

Key Topics:

- Sacred Sites around Britain
- The Red Lady
- Cave Art and its purpose
- Ritual
- Stonehenge
- Solstice celebrations
- Druids
- Celtic Britain
- Religion in the UK

Where to find information:

- Your book- this should contain everything you need
- English Heritage- Stonehenge
- BBC Bitesize
- Text books- speak to Mr May for the loan of a text book if you would like further information
- Your class teacher- if you are unsure about anything speak to your teacher

PE End of Term 1 Revision Topics

Warming up

- Stages
- Purpose
- Benefits

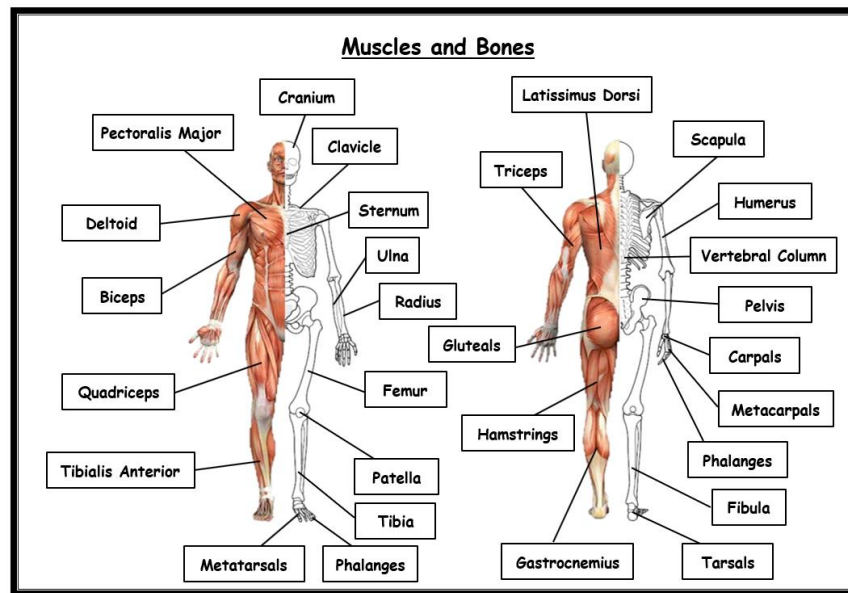

Short term effects of exercise

- Cardiorespiratory system
- Musculoskeletal system
- What and why

Heart rate

- Resting heart rate
- Working heart rate
- Maximum heart rate

Components of fitness

- Health related components
- Physical components
- Definitions and examples

Mary Must cAre For Bill Smith

Components of Physical Fitness

P-CRAB

-Components of Skill related fitness

Remember

- Read each question carefully
- Select the correct number of responses

WTa = 0-30%
 WTb = 31-49%
 ARE = 50-69%
 AGD = 70-100%

PE student pages

Spanish

What you need to know to do well in Key Assessment 1:

A variety of Spanish greetings.

Say how you feel and ask the question to someone else.

Say what your name is and ask someone else what they are called.

Say how old you are and ask someone else for their age.

Say when your birthday is and ask someone else for their date of birth.
Understanding dates too.

Say what your favourite colour is and ask someone else what their favourite colour is.

Giving opinions about colours you like and colours you don't like.

Apply accurate spellings and punctuation in Spanish.

Apply knowledge of key Spanish phonics: LL / J / H / C

What ARE looks like in KA1:

¡Hola! ¡Buenos días! ¡Buenas tardes/noches!

¿Qué tal? ¿Cómo estás?

Estoy (muy) bien/mal, gracias.

¿Cómo te llamas?

Me llamo _____.

¿Cuántos años tienes?

Tengo _____ años.

¿Cuándo es tu cumpleaños?

Mi cumpleaños es el _____ de _____.

¿Cuál es tu color favorito?

Mi color favorito es el _____.

Tips to revise for your Spanish assessment:

- use the student page to look at the lessons again and revise from the power points.
- log into MEMRISE (password: Park2023) and complete the revision courses available.
- prepare flashcards with the key vocabulary and ask someone at home to test you.
- attend Spanish KS3 club on Monday after school in C10 to revise with a teacher.
- write a paragraph about yourself and send it to your teacher for feedback.

enero	agosto	<p>¿Cómo estás? (How are you?)</p> <p>¿Qué tal? (What's up?)</p> <p>😊 Estoy genial (I am great)</p> <p>😄 Estoy muy bien (I am very well/good)</p> <p>😁 Estoy bien (I am well/good)</p> <p>😇 ¿Y tú? (and you?)</p> <p>¿Qué tal? (What's up?)</p> <p>😊 Estoy regular... (I am so-so)</p> <p>😞 Estoy mal (I am bad)</p> <p>😫 Estoy muy mal (I am very/really bad)</p> <p>😱 Estoy fatal (I am awful)</p>	1 uno	2 dos	3 tres	4 cuatro	5 cinco	6 seis	7 siete	8 ocho	9 nueve	10 diez	11 once

Month?

Revision Topics Year 7

Catering

1. Health and Hygiene in the kitchen
2. Fridge and freezer temperatures
3. Bacteria Growth
4. 4C's
5. Eatwell Guide

Graphics

1. Measuring
2. Design Movements
3. Visual Elements
4. Drawing equipment
5. Skills application

Product Design

1. Tool identification
2. Materials Identification
3. ACCESS FM
4. Environmental Design
5. Design Process

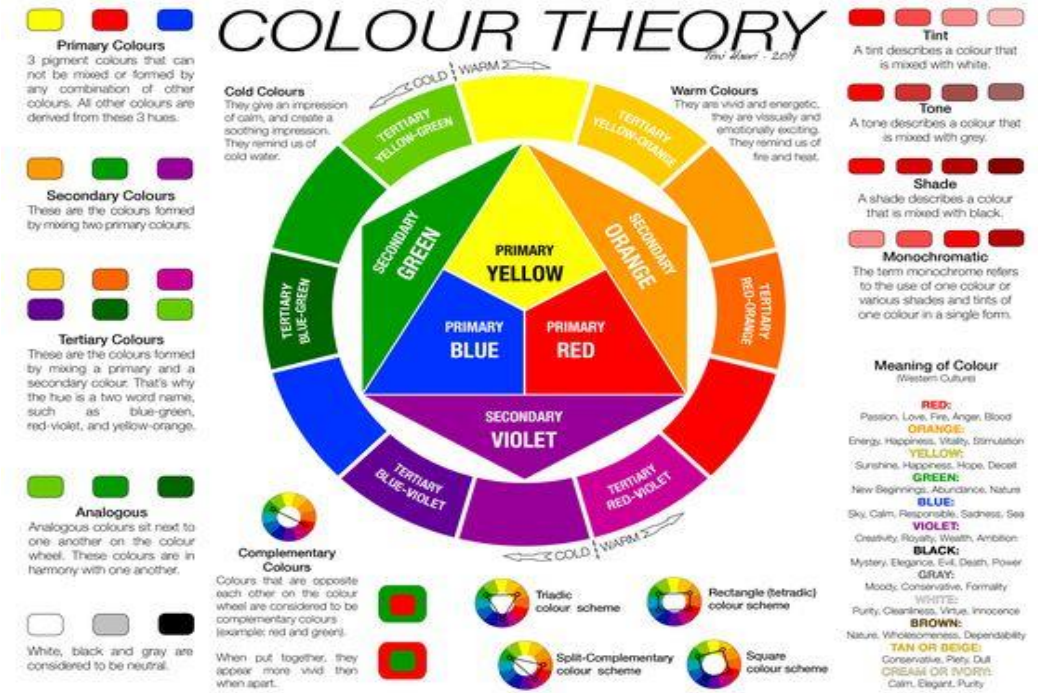

Please refer to the big pictures printed in the front of your book for more in-depth topic information

Scan here for extra resources on student portal.

Art

What you need to know to do well...

1	History of art timeline
2	Cave painting – themes and styles
3	Green man – why was it an important symbol?
4	Clay – how to use it correctly
5	Self portraits

- Tips to revise for your Art assessment:**
- Practice colour mixing with primary colours i.e. blue + yellow
 - Research Opie and his work – what is his style of work called? What else has he painted?
 - Check out the elements of art here: [Elements of Art - GCSE Art and Design Revision - BBC Bitesize](#)
 - Attend an after school drop in if you are struggling with anything

Year 7 History Revision

(1) The building of Leigh Park after World War II

(2) How Britain compared to Egypt in the Bronze Age

(3) How Iron Age Britain was primitive compared to the achievements of Hannibal

Key terms	
Identity	Who you are
Pre-historic	History before written records
Hunter-gatherers	People who hunted wild animals for food and collected berries and plants to eat
Ancestor	A person from whom you descend
Chronology	Time order
AD	Ano Domini (In the year of Our Lord)
BC	Before Christ

Themes to revise:

- (1) How did Leigh Park change over time
- (2) How did Britain change over time
- (3) How did ancient Britain compare to the wider world?

Geography

Key Questions:

- What are glaciers and when and where were they located in the UK?
- What push and pull factors cause people to migrate?
- What are the natural causes of climatic change?
- What impacts are there for global temperatures changing?
- How has Leigh Park changed over time?

Use the student area to recap and review all our lessons

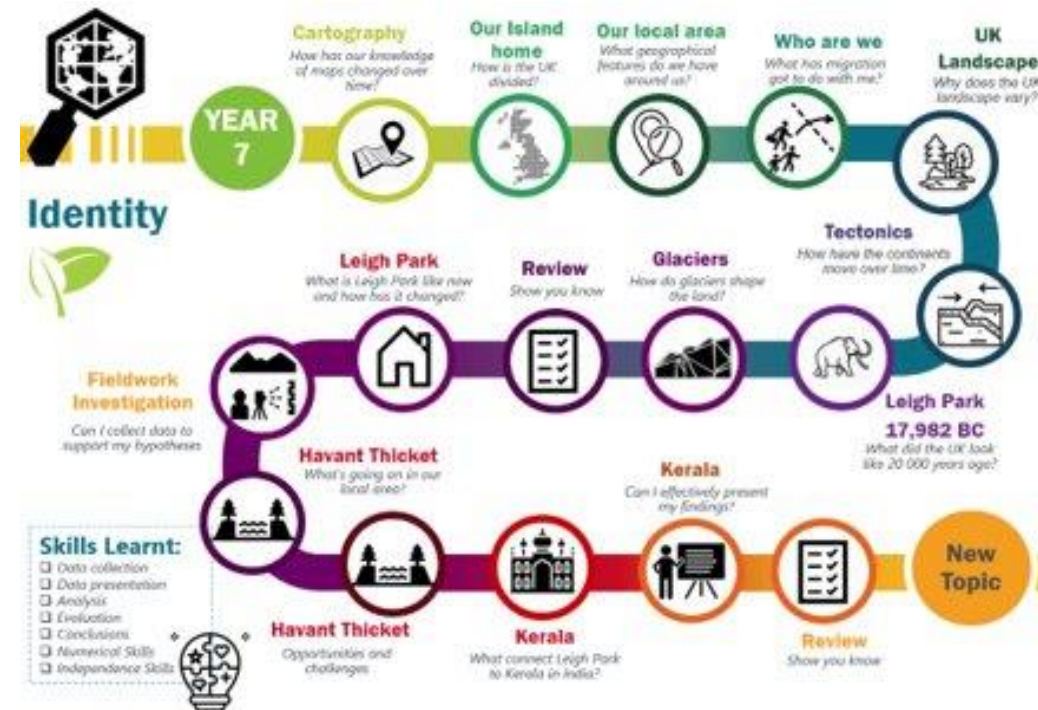

[Y7 - Identity 1 \(sharepoint.com\)](#)

[Y7 - Identity 2 \(sharepoint.com\)](#)

Think about all our **mapping skills** we have developed and how we answer questions in Geography.

Using data/evidence and **chains of reasoning!**

Year 7 Performing Arts

For each subject, please revise the listed knowledge:

Drama

Devising (Creating) Drama

Characterisation

Stage Craft

Physical Skills (Gait, Gesture, Posture)

Vocal Skills (Pitch, Pace, Tone)

Creating an atmosphere

Lighting cue sheets

Music

Tonality (major/minor)

Timbre (sound quality)

Tempo (speed/pace)

Structure (verse-chorus)

Minor triads (1,b3,5)

Performance steps

Critically analyzing/ listening to assessment songs

Dance

Choreographic devices

Key definitions

Basic dance actions

Expressive skills

Stimulus

Motif and development

Warm up/cool down

Transition movements

Phoenix productions

Brands Product placement

Advertising Companies

Job roles Brief

Logos Qualifications

Slogan Structures
