16th March 2018

Dear Parent/Guardian

As we approach the formal exam season, we continue to work hard to ensure each student at Park Community School is as fully prepared for their exams as they can be. We will be increasing our exam focus in lessons as well as running period 6 sessions after school and holiday revision sessions on the run up to the exams. The exam season will begin in May, so time is precious.

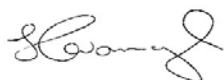

As well as these sessions there is an evening centred around exam preparation and planning for both students and parents on:

Thursday 22nd March from 6pm until 7:30pm.

At 6pm Mr Roberson will be talking about his exam training plans and thoughts on how to be more successful. Following this we will help you create an effective revision plan and provide you with the time and expertise to design one suited to your needs.

All students who attend the evening with a parent/guardian will be entered in a prize draw raffle to win £150 towards prom costs. The raffle will be drawn in the following year 11 assembly.

Yours sincerely
