

30 Years much more than just a school

13 February 2019

Dear Parents/Carers

As part of the today's Challenge Day all Year 11 students spent the day in Science looking at required practicals, which are an essential part of the GCSE course.

All students have been issued with a booklet from the day. Please encourage the completion of the booklet, including the corresponding exam style questions.

Videos and links relating to the required practicals will be emailed out to every student and will be on the school website. Again, please encourage your child to consolidate their understanding of each practical by viewing the videos. These are also referred to in their revision guides.

Thank you for continued support.

Yours faithfully

L Conner
Head of Science

Success for All through Attainment, Resilience and Autonomy
