

30 Years much more than just a school

1 March 2019

Dear Parent/Carer

Year 8 Futures and Parents' evening – Thursday, 7 March 4.30-7.00pm

You are invited to attend Futures Evening next week with your child. The purpose of the evening is to ensure you and your child are fully informed about the school's options process which will determine the GCSEs students will take starting in Year 9. It is also an opportunity to discuss your child's progress in their core subjects - English, maths and science.

The evening runs from 4.30pm-7.00pm, and you can come at any time during these times. On the evening there will be:

- A brief talk on the options process from the Headteacher at 5.00pm and 6.15pm
- You will receive your child's Options Booklet which outlines all available courses and includes their choices form.
- All options subjects will run stands in the restaurant for you to visit to find out more
- There is an opportunity to meet with your child's teachers in English, maths and science for a 5 minute appointment to discuss current progress and priorities for working towards GCSEs.

If you would like to make an appointment to see your child's subject teacher for **English, maths and science** on this evening, please use the online booking system which can be accessed via the following link: <https://parents-booking.co.uk/parkcommunity>

We look forward to seeing you next week.

Yours faithfully

Ella Capaldi
Head of School

Success for All through Attainment, Resilience and Autonomy

Park Community School
Middle Park Way, Havant, PO9 4BU
