

30 Years much more than just a school

4 March 2019

Dear Parents/Carers

As part of next week's Science week, Year 7 will have the opportunity to work with the Hampshire Air Ambulance Service.

During the hour-long session, students will complete a workshop in which they will cover some emergency First Aid skills and the responsibilities they would have, if ever faced with an emergency.

This is a fantastic opportunity to gain an insight into the role of this service in the community.

These sessions are taking place during the school day on Monday, 11 and Friday, 15 March 2019.

Yours faithfully

L Conner
