

much more than just a school

17 August 2020

Dear Parents, Carers and Students

We are looking forward to welcoming all students back to school in September.

Please take time to read the 'Welcome back to Park' booklet so that you are well prepared for your child's/your return to school.

A reminder that start dates and times for students are as follows:

Friday, 4 September	Year 7 start at 8.30am
Monday, 7 September	Year 8 return at 8.30am and Year 9 return at 11.00am
Tuesday, 8 September	Year 10 return at 8.30am and Year 11 return at 11.00am
Wednesday, 9 September	Lessons to follow school timetable except where assessment activities are required

Please note: the staggered start times only apply to the student's first day. After the first day, each student starts school at 8.25am.

On arrival on their first day each student will need to enter through the front gate and will go straight to the Sports Hall for their first induction back to school session.

During this session we will cover arrangements for Year Zones, movement around the school site and other changes to life at school. Students will then be escorted to their Year Zones and tutor bases where they will receive student planners, timetables and begin to settle back into learning at school.

Before 'normal' lessons begin on Wednesday, 9 September, students will complete a number of lessons with their tutor group focussed on ensuring they feel confident about the new school routines, are able to access all of their learning in and out of school and are ready to make the most of life back at Park. Students will be expected to follow all new rules and systems, and take responsibility for more independent learning in school and at home.

We look forward to seeing all students at the start of next month.

Yours faithfully

Christopher Anders
