

much more than just a school

31 March 2021

Dear Parent/Carer

Thank you for all of your support with Lateral Flow Testing at home. The results being uploaded each week cover a large proportion of the student body of the school and your support with this has been invaluable.

The government have confirmed that they wish for all students and staff to continue to test over the Easter break, so to this end please continue to carry out your child's test on a Sunday and a Wednesday and upload to the school system using the following link.

<https://forms.office.com/r/JayeHQZPPX>

New testing kits containing a minimum of six kits have been issued to all students by their tutors. This should provide you with enough test kits to cover the Easter break. New kits will be issued after Easter also.

Yours faithfully

Jamie Bryce
Assistant Headteacher

Success for All through Affainment, Resilience and Autonomy
