

much more than just a school

19 March 2021

Dear Year 10 Parent/Carer

I am writing to inform you of your child's latest academic report is available on INSIGHT.

The information in this report reflects the learning completed in the period from December 2020 until March 2021. This includes the period of time where students completed on-line learning or attended Key Worker School.

For each subject studied there is a percentage achieved in their multiple-choice test, the grade that this test score represents, their projected subject grade and an overall attitude to learning score.

Yours faithfully

ARR
