

much more than just a school

12 August 2021

Dear Parent/Carer

We are looking forward to seeing your child in September and this letter details a reminder of the arrangements for the return to school.

**Welcome Back to Park**

Enclosed in this mailing is a hard copy of our 'Welcome Back to Park' booklet, which you were sent electronically in July. Please take time to read this with your child to ensure you are clear on routines and expectations for a strong start in September.

Please read the full detail of this letter for the specific times that <preferred forename> should attend school in the first few days as these vary for Year and Tutor groups.

**Student Review Day - Friday 3 September 2021**

On this day, students in Years 8, 9, 10 and 11 will attend school for their first lateral flow test and their 1 to 1 appointment with their tutor. Students must arrive promptly and enter through the entrance between the MUGA and Nursery where staff will greet them and take them for their lateral flow test prior to their tutor appointments. Unfortunately, parents are not able to attend the tutor appointments this year.

**Return to full-time school**

The return to normal lessons is staggered this September to allow for the required second lateral flow test to be taken and for induction into school routines.

Students in Years 8 and 9 return on Monday 6 September and students in Years 10 and 11 return on Tuesday 7 September.

Your child has been given a specific time to arrive in school – see below. From this point on they will be in school full-time.

We hope you enjoy the second half of the summer holidays and look forward to seeing you all in September.

Yours sincerely

Christopher Anders
