Dear Parents and Carers

Update to system for students failing to attend C5 Detention

From today, any students failing to attend a C5 detention at the end of the day will be expected to attend an 8.15am meeting the following morning with a parent/carer and a member of senior staff before they come into school. The only exception to this will be where a parent has requested a change of date for the detention in advance.

In the event of a failure to attend the C5 detention, parents/carers will receive a text informing them their child has failed to attend and requesting that they bring them in to see a member of senior staff at 8.15 the following morning. This is likely to apply only to a handful of students.

A C5 sanction is issued for poor and unacceptable behaviour. We expect the support of parents and carers to help ensure that these children do not disrupt the learning of other students in our school.

Yours sincerely
