

much more than just a school

12 October 2021

Dear Parents and Carers of Year 11

We are reluctantly moving our planned face to face Parents' Evening this Thursday, 14 October, to a remote one. This means you can meet with staff via video call rather than face to face.

We were very much looking forward to welcoming you into school this week, but increasing Covid rates nationally suggest that remote parent meetings would be more sensible at the moment.

Any existing bookings will automatically convert to video bookings and IT Services will send a link on Thursday morning to show you how to access your appointments.

Yours faithfully
