

much more than just a school

12 October 2021

Dear Parents and Carers of Year 7

We are reluctantly moving our planned face to face Parents' Evening this Thursday, 14 October, to a remote one. This means you can meet with tutors via video call rather than face to face.

We were very much looking forward to welcoming you into school this week, but increasing Covid rates nationally suggest that remote parent meetings would be more sensible at the moment.

Any existing bookings will automatically convert to video bookings and IT Services will send a link on Thursday morning to show you how to access your appointments. We will make time as soon as possible to invite you into school to share your child's learning too.

Yours faithfully
