

11 February 2022

Dear parent/carer

A reminder that our final day of this half term, Thursday 17 February 2022, is Student Review Day. On this day students attend school for their appointment with their tutor and other activities, and complete remote learning at home for the rest of the day. Parents are very welcome to attend these meetings if you can, but we appreciate this is not always possible during the school day.

If you are unable to join your child but have a specific concern, please email your child's tutor.

Student Review Day: Thursday 17 February 2022

The arrangements for the day are as detailed in this letter. **All students must attend school for their Student Review Day appointment** with their planner and schoolbooks. They do not need to wear uniform.

Alongside the appointments, there are various other activities available to offer support. There is no need to book, simply allow time around student appointments. Activities will be based outside the restaurant.

- Refreshments from our catering trailer
- SEN drop-in - if you need any advice or support
- WSG drop-in - pastoral advice and support
- Attendance drop-in
- INclude student and parent drop-in - for specialist advice linked to SEN needs, attendance and mental health

Specific details of Student Review sessions for each year group are below:

Years 7 and 8

Students will go to one of the following three venues, depending on their House (see below). In their venue, along with their 10 minute tutor appointment, all students will read, one to one, with their parent or school staff and review work they are proud of this year. Year 7 and 8 students (and parents) should allow at least 30 minutes in total for their time in school.

- Red House - Theatre
- Blue House - Lecture Theatre
- Green House - Activity Studio

/continued overleaf ...

Year 9

Students will meet their tutors in their tutor bases. They will review progress this year, discuss potential Options Choices for GCSE and leave with further information about the process. Our Options Evening, where you will be able to speak to teachers and get further advice regarding Options, is Thursday 31 March 2022.

Year 10

Students will meet their tutors in their tutor bases and discuss progress in their GCSE subjects. All Year 10 students will receive a ticket to exchange for a free revision guide for a subject of their choice from reception as they leave. Other revision guides will be on sale for £1 (rather than the usual £7) on this day only.

Year 11

Students will review their mocks with tutors and receive their Homerun booklets outlining the detail of Summer examinations, revision topics and a lesson by lesson breakdown of learning from after half term until the exams.

Individual appointment times for your children will be sent to you.

If you have any questions, please contact your child's Head of House.

Yours faithfully
