

much more than just a school

25 March 2022

Dear Parent/Carer

We are delighted to inform you that we are in the process of planning the **2023 Disneyland Paris reward trip**. Exact dates are yet to be confirmed, but the trip will take place early in the Spring term 2023.

We are writing to inform you of the criteria that will be used to inform invitations, which will be sent out after Easter. Invitations will be determined by several factors, and decisions will be made based on the following criteria:

- Attendance
- Punctuality
- Overall Attitude to Learning Scores to date in **Maths, Science and Technology**
- Homework completion
- Behaviour (number of reward and consequence points)

Any student wishing to attend must be able to provide proof of vaccination in order to satisfy French travel requirements and the requirements of Disneyland Paris. These requirements are likely to change, so we are asking that students fulfil **current** not future travel rules.

Further details, including costs, will be sent home with the invitation to attend an information evening next term.

Yours faithfully
