

much more than just a school

27 May 2022

Dear Parent/Carer

None of us can escape the headlines in the papers or on the TV about rises in cost of living. As a school we always try to help families in our community wherever possible.

Are you, your neighbours or elderly relatives living in Havant struggling financially or having practical problems that need to be addressed?

We can apply for funding in the coming weeks, but we need to know what your concerns are. For example, in 2017 we introduced the Munch community free meals in the holidays, and Munch still runs today. This was because families told us they were missing children's free school meals in the holidays.

We want to hear from you, and we assure you that the information you send to this email address will remain anonymous and confidential costofliving@pcs.hants.sch.uk.

Please help us to help you.

We look forward to hearing from you.

Kind regards

Susan Parish
Business and Community Manager

Success for All through Attainment, Resilience and Autonomy
