

much more than just a school

10 June 2022

Dear Parents and Carers

We are delighted to share our recent Ofsted reports with you. They capture much of what makes our school and its community so special.

Please click [Park Community School | Ofsted Reports \(pcs.hants.sch.uk\)](https://pcs.hants.sch.uk) to view the reports. One visit was in March and the other last month.

Ofsted judged our school to be a good school. The inspectors found many strong features in our curriculum, teaching and student experience. The March report's opening lines sum it up well:

The school lives up to its motto of being 'much more than just a school'. Pupils benefit from an exceptional range of opportunities that develop their knowledge and skills.

Students and staff were proud ambassadors for our school throughout the process and demonstrated their passion for Park.

The inspectors agreed with us that further developing students' ability to remember their learning and explain their thinking accurately should continue to be a focus. Your children will hear teachers talk about oracy which is our way to describe encouraging students to talk more about their learning in order to learn even more.

We believe that Ofsted describe our school as we see it and we will continue to work with you to make it even better.

Thank you to everyone who took the time to give their views to Ofsted and for your continued support.

Yours faithfully

Christopher Anders
Headteacher
