

7 November 2023

Dear Parent/Carer

'Finding What You Love' is the principle we apply to our curriculum and wider opportunities at Park. We have an incredible range of activities on offer, with many students already attending these regularly.

Much More Than – Our Much More Than carousel of activities runs across the year for students in Years 7-9. Students take part in some of the activities below:

- School farm
- Construction skills at Apex Centre
- Enterprise at our print shop – Park, Design & Print
- Catering in our school kitchen
- Filming and recording in our media suite.

Student Ambassador roles – Student Ambassadors work across a range of subjects including reading, STEM, MFL and Sport. As ambassadors they work with primary schools, support school events and take part in a range of visits.

Trips – Students have the opportunity to attend a variety of trips, including subject specific trips, our annual trips to New York, Barcelona, Disneyland Paris and Poland, YES! trips on Saturdays, and university and college visits.

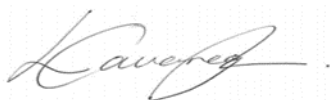

Extra curricular clubs – Extra curricular clubs run daily at Park. We encourage all students to attend at least one after school activity each week. Our weekly clubs include activities such as chess, robotics, fitness and geology. In addition, students can join or Greenpower team, participate in school performances and sports.

Our enrichment clubs are advertised on the school website, in student planners and attached to this letter.

If your son/daughter would like to attend a club on offer they are free and no pre-booking is required. Staff look forward to welcoming them.

If you have additional questions regarding 'Finding What You Love', please email me at l.cavanagh@pcs.hants.sch.uk

Your sincerely

Mrs L Cavanagh
Assistant Headteacher

Finding What You Love – 2023-2024
