Dear Parent/Guardian

Parent Governor Vacancy

We have a vacancy for a parent governor. Park Community School has a history of strong partnership with parents which undoubtedly brings benefits to the students. One of the most significant ways you can help promote this is to volunteer to be a parent governor.

The governing body's main tasks are to support the school by:

- ensuring a clear vision, ethos and strategic direction
- holding the leadership to account for the educational performance of students and the school, including areas such as attendance
- overseeing financial performance and making sure money is well spent.

Parent governors are welcomed as valued members of the team and play an important role in the governing body, contributing a parent's view of school and the local community, as well as their own expertise. Regular attendance at meetings is important. Governors also support the school through attendance at events, activities and additional meetings such as behaviour panels.

In looking to fill this vacancy the governors of the school have identified the following skills, experience and attributes that they feel would help strengthen the governing body:

- financial/business experience
- an understanding of strategies to increase outcomes for schools, including attendance
- an understanding of cultivating and assessing Safeguarding.

Training and support will be given to help you develop into the role. This will include in-house mentoring and support as well as Hampshire County Council governor training and induction, and online courses.
