

much more than just a school

10 November 2023

Dear Parents/Carers

**Years 7-9 testing week**

As we approach the end of the first term, we focus on the upcoming testing week which begins on Monday, 4 December 2023.

During this week students will be completing exams in the sports hall for core subjects - English, Maths and Science - and there will be tests for all other subjects in classrooms.

The tests and exams allow students to perform and show off their learning from throughout this term. Tests and exams held in the sports hall ensure that students are well practised in the exam routine.

To further support your child in preparing for these tests and exams, a collection of revision advice and guidance can be found at the links below:
