Dear Parents and Students of Year 11

Easter Study Sessions

I am sure you need no reminding that the GCSE exams are only a few weeks away. During this past term we have had a big push on the importance of revision, exam practice and preparation.

With the exams being so close, each day becomes more vital to ensure each student is as prepared as possible. With that in mind several key members of Year 11 staff have volunteered to come into school over the second week of the Easter break to support Year 11 students with their preparation. These sessions can be a valuable part of a student's revision and our records show that previous attendance to these sessions has had a significant positive effect on a student's outcomes in the exams.

Students do not need to book to attend sessions. For sessions in J classrooms, students may go straight to the venue. If students wish to attend the Science sessions or the English session on the Saturday, they must meet first in the restaurant and the teacher will take them to their venue.

If you have any questions relating to this or exams in the summer, please do not hesitate to get in touch via ClassCharts or at s.cavanagh@pcs.hants.sch.uk

Yours faithfully
