We continually fundraise to be able to provide for our families. We are always a phone call away should you need assistance.

Some Reminders for next term

Mobile phones and air pods are not permitted in school. In all circumstances these will be taken to reception until the end of the day if they are seen. If your child needs to bring a phone into school, please remind them to hand it into reception before school begins.

Facial piercings are not permitted in school. Please ensure your child arrives to school with these removed and do not allow any new piercings over the Easter break as students will be asked to remove them and this may mean your money is wasted. The same applies to false lashes or nails.

Return to School

All students return to school for the start of the Summer Term on **Monday 15 April at 8.25am**. Please ensure your children are in their full uniform, with pencil cases and arrive in time for the start of term. We will begin with our whole school assembly and students will then spend Period 1 with tutors checking timetables and ensuring they are ready to learn.

On Thursday, we end the term with our annual Race at Our Place. Thank you to so many of you who support us in making this such a special annual event for everyone at Park. We will be running, jogging and walking up and down Middle Park Way from about 1.45pm on Thursday. The money raised goes to Cancer Research to support their important work in an area which has affected many of us.

Finally, good luck to the forty Year 11 students and staff are off to New York on our annual visit to the Big Apple. We will share photos and memories of this and Race at Our Place in the next newsletter.

We wish you and your families a lovely Easter.

Yours faithfully
