

6 June 2024

Dear Parents/Carers

Masterclasses and Study Hall

As we near the end of another busy year at Park, we reflect on the progress we have made throughout the GCSE subjects. This final half term is an exciting one for Year 10, with mock fortnight, work experience and college taster days.

Last half term, we introduced study hall and specific subject masterclasses this year, which allowed your child to focus on the necessary skills and knowledge needed for the English Literature exams. As these are now over, we look at other subjects providing weekly masterclasses to further prepare for Year 11.

Please see the timetable for the masterclasses which will begin the week commencing 10 June:

| | Monday | Tuesday | Wednesday | Thursday | Friday |
|-------------|----------------------------------------|---------|----------------------------------------------|-----------------------|------------|
| 15.00–15.30 | Science | | Maths | English | RE |
| 15.30-16.00 | History Comp Science Photography | | Geography Psychology Art Technology | Spanish Perf. Arts | Study Hall |
| 16.00-17.00 | Study Hall | | Study Hall | Study Hall | |

Alongside the masterclasses, your child can stay later in study hall, if they should wish. This is a quiet space for them to continue their studies and to gain support from teachers if they should need it.

Refreshments will be provided for those who choose to attend these masterclasses.

The promotion of good habits and routines early in the GCSE journey will ensure your child has the skills to not only succeed at the end of Year 11 but use these skills in their future learning.

Please encourage your child to attend the masterclasses and encourage them to see their tutor or class teacher if they need further support.

Yours faithfully

Lucy Conner
Assistant Headteacher
