Dear Parents/Carers

Testing/Exam week – w/c 24 June 2024

As we approach the end of the current academic year, we focus on the upcoming testing week which begins on 24 June. During this week students will be completing exams in the sports hall for core subjects - English, Maths and Science - and there will be tests for all other subjects in classrooms. As part of this testing/exam week, students will also be completing a reading test.

These tests/exams are to allow students to perform and show off their learning from throughout the year. Those in the sports hall are to also to ensure the routine of exams is practised.

Below is the timetable for the exams which will take place during the week:
