Dear Parent/Carer

Year 10 and 11 – Science Revision Guides

To aid revision during Key Stage 4, we are pleased to offer pupils science revision guides at a heavily discounted price. These books normally retail for around £20, and we can provide them for £6.

These books are highly recommended and if used well, can significantly assist pupils in achieving the highest grades. They contain all the knowledge pupils need to know along with many practise questions.

Pupils can purchase these from reception. Pupils should order the correct book for the course that they are studying. Pupils are either studying Higher Triple Science, Higher Combined Science or Foundation Combined Science. If students are unsure which to purchase, they should speak to their science teacher.

Yours faithfully

M Turner-Norgate
Head of Science

Books for each course (each package £6):

Higher Triple	Higher Combined	Foundation Combined
