Dear Parents/Carers

**Important Year 11 Parent and Carer Meeting for selected students only.**

We invite you to an additional parents' evening on **Monday, 2 December 2024 between 6.00pm and 6.30pm** to share strategies which you can use support your child over the coming months.

We will share details of your child's mock results and plans for success moving forward. You are invited to this meeting as your child is identified as a student who is capable of gaining at least a pass in English and Maths along with other GCSEs, but has not achieved this in their mock exams.

Our knowledge and analysis of data suggests your child could be successful this year, but that they require additional support if they are to achieve this.

From experience, we know now is the time to work with students' families to ensure their children have embedded routines for revision, strong attendance and have any other support they may need in preparation for the exams.

The meeting will be our opportunity to share our strategies and allow you to discuss any concerns or questions you might have regarding Year 11.

I look forward to meeting you all.

Yours faithfully

Stuart Cavanagh
