

much more than just a school

19 March 2025

Dear Parent/Carer

Year 9 Options evening – Thursday, 27 March 2025 – 4.30-7.30pm

You are invited to attend Year 9 Options Evening next week with your child. The purpose of the evening is to ensure you and your child are fully informed about the school's options process which will determine the GCSE courses students will take starting in Year 10. It is also an opportunity to discuss your child's progress in their core subjects - English, Maths, Science and RE.

As you are aware, your child has already started on GCSE option in Year 9. They will now choose three more to study in Years 10 and 11.

Over the past two weeks Year 9 have had assemblies from all options subjects. Students received their options booklet on Friday, 14 February 2025.

The evening runs from **4.30-7.30pm**, and you can come at any time during these times to visit options stalls, but you will need to book appointments to speak to subject teachers.

- All options subjects will run stands in the restaurant, Activity Studio and Discovery Centre.
- There is an opportunity to meet with your child's teachers in English, Maths, Science and RE for a 5 minute appointment to discuss current progress and priorities for working towards GCSEs. Please ensure you have booked these.

If you would like to make an appointment to see your child's subject teacher for **English, Maths, Science and RE** on this evening, please use the online booking system which can be accessed via the following link: <https://parkc.schoolcloud.co.uk/>

The deadline for options choices is Friday, 4 April 2025. A link will be sent to students after Options evening next week.

In addition, the School Immunisation Team will be available during Options evening to discuss consent for future vaccinations and to answer any questions.

We look forward to seeing you next week.

Yours faithfully

Ben Bourton
Assistant Headteacher

Success for All through Attainment, Resilience and Autonomy
