Dear Parents and Students of Year 11

I am sure you need no reminding that the GCSE exams are only a short moment away. During this past term we have had a big push on the importance of revision, exam practice and preparation.

### Easter Study Sessions

With the exams being so close now each day becomes more vital to ensure each student is as prepared as possible. With that in mind several key members of Year 11 staff have volunteered to come into school over the second week of the Easter break to support Year 11 students with their preparation. These sessions can be a vital part of a student's revision and our records show that previous attendance to these sessions has had a significant positive effect on a student's outcomes in the exams.
