Dear Parents and Carers

Pre- Information Evening Year 9/10 trip to China in March 2027

As part of our continued development of international connections, we have an opportunity for Park students to go to Beijing, China and study at a school there in March 2027.

Unfortunately, Turing funding, which we successfully gained and used to heavily subsidise previous trips, has now ended. This means that the cost is likely to be £1200.

The trip will be for 25 students from Years 9 and 10 to visit Beijing, study in two schools there and experience the Great Wall of China and other sights.

As explained previously, students will be required to apply for a place on the trip. However, we would like to invite you to an initial parent and carer information evening to discuss further details.

Our information evening will be hosted in the main theatre on Monday 28 September 5.30-6pm. If your child is interested in applying for this trip, please ensure they attend with yourselves.

Yours faithfully,

Laura Cavanagh
