

Park Community School Uniform - September 2025

At Park Community School our school uniform is used to help create a strong sense of belonging. It helps students to be proud to be part of Park and creates a clear identity for our school.

School uniform items are designed to balance smartness, practicality and reasonable cost. School uniform providers take time to ensure the quality of their clothing is hard wearing and can cope with many washes. PE kit is used to ensure children's hygiene is maintained so is different to the main uniform.

We limit branded items to help reduce the cost and give students and parents choice.

If students are not wearing the correct uniform

Students will not be permitted to attend lessons without the correct uniform.

- **Ties** - We are able to lend these temporarily if a child has lost theirs
- **Blazer** - We are able to lend these temporarily if a child has forgotten theirs
- **Shoes** - We will give a pair of black plimsolls to any child who is temporarily without the correct shoes

Students are likely to be sent home the same day to change if not in correct uniform and then return to school. There will be an expectation that time is made up.

Repeated rule breaking will lead to more severe sanctions.

Parents who are unable to purchase the correct uniform for their child due to financial difficulties should approach the school to seek advice and further guidance.

The final decision on all matters of uniform and personal appearance rests with the Headteacher and Head of School.

DfE Guidance on School Uniforms (September 2013) states:

Pupil non-compliance

Teachers can discipline pupils for breaching the school's rules on appearance or uniform. This should be carried out in accordance with the school's published behaviour policy. A head teacher, or a person authorised by the head teacher, may ask a pupil to go home briefly to remedy a breach of the school's rules on appearance or uniform. When making this decision schools need to consider the child's age and vulnerability, the ease and time it will take, and the availability of the child's parents. This is not an exclusion but an authorised absence. However, if the pupil continues to breach uniform rules in such a way as to be sent home to avoid school, or takes longer than is strictly necessary to effect the change, the pupil's absence may be counted as an unauthorised absence. In either case the pupil's parents must be notified and the absence should be recorded. If a school is considering excluding a pupil in response to breaches of uniform policy then this must be in line with the legal requirements for exclusion.
